## Job Description

- ✓ Lead, support, configure and develop simplified loader MS Office applications
- ✓ Assist clients with resolving technical issues reported on the simplified loader support portal
- ✓ Develop new features and functionalities in the company's Microsoft Office product range
- ✓ Evaluate existing MS Office-based applications and identify opportunities for process improvement as per business requirements
- ✓ Prepare operational documentation for the software developed and provide assistance to users with onboarding and installation
- ✓ Identify and drive product improvement that results in improved quality, effectiveness, or efficiency of service delivery

## Qualifications

We are looking for the following skills:

- ✓ Excellent communication skills, both written and verbal
- ✓ Knowledge and experience of Cloud APIs & Architecture
- ✓ Excellent technical knowledge of Excel VBA with a minimum of 4 years of experience
- ✓ Excellent understanding of Security Concepts.
- ✓ Strictly follow the DevOps process and keep the code branches up to date
- ✓ End-to-end knowledge of the software development life cycle
- ✓ Desirable, Microsoft Certified Professional

## About Simplified Loader

Simplified Loader is a leading global software development company, providing applications that interact with leading ERP systems. With our thought leadership and culture of innovation, we apply industry expertise, diverse skill sets and next-generation technology to each business challenge.

Simplified Loader is an equal opportunities employer and welcomes applications from all sections of society and does not discriminate on the grounds of race, religion or belief, ethnic or national origin, disability, age, citizenship, marital, domestic or civil partnership status, sexual orientation, or gender identity, or any other basis as protected by applicable law.

## Working for us

You'll learn, grow and advance in an innovative culture that thrives on shared success and diverse ways of thinking and enables boundaryless opportunities that can drive your career in new and exciting ways.

If you're looking for a challenging career working in a vibrant environment with access to training and a global network of experts, this could be your role. As part of our team, you'll be working with cutting-edge technologies and will have the opportunity to develop a wide range of new skills on the job.

## Benefits

At Simplified Loader, in addition to a competitive basic salary, you will also have an extensive benefits package which includes 30 days' vacation per year and three extra days' leave per year for charitable work of your choice!

Flexibility and mobility are required to deliver this role as there will be requirements to spend time onsite with our clients and partners to provide world-class services.

## How to apply

Email your CV to [Careers@SimplifiedLoader.com](mailto:Careers@SimplifiedLoader.com). Please include details of why we should hire you for this role. We will contact the shortlisted candidates within two days after the application's close date.
