

## Role: Mobile App Developer

Reports to	Development Manager
Department	Product Development & Quality Assurance
Location / Travel	London
Salary	£27,000 to £35,000 (dependent on experience)
Last day of the application	24-Jun-2022 18:00

### Job Overview

As a Mobile App Developer, you will lead and support Simplified Loader applications. You will assist clients with resolving technical issues reported on the Simplified Loader Support portal and developing new features and functionalities in our product range.

### Principal Accountabilities

- ✓ Articulate issues to customers, both verbally and written.
- ✓ Identify opportunities for process improvement.
- ✓ Identify and drive product improvement that results in improved quality, effectiveness, or efficiency of service delivery.
- ✓ Own customer escalations end to end, representing the organization on customer calls as required.
- ✓ Assist clients with onboarding and installation

### Qualifications

We are looking for the following skills:

- ✓ Excellent communication skills, both written and verbal
- ✓ Knowledge and experience of Cloud APIs & Architecture
- ✓ Excellent knowledge of Google Flutter with a minimum of 4 years of experience
- ✓ Excellent understanding of Security Concepts.
- ✓ Strictly follow the DevOps process and keep the code branches up to date
- ✓ End-to-end knowledge of the software development life cycle
- ✓ Desirable, Google API Certified Professional

## About Simplified Loader

Simplified Loader is a leading global software development company, providing applications that interact with leading ERP systems. With our thought leadership and culture of innovation, we apply industry expertise, diverse skill sets and next-generation technology to each business challenge.

Simplified Loader is an equal opportunities employer and welcomes applications from all sections of society and does not discriminate on the grounds of race, religion or belief, ethnic or national origin, disability, age, citizenship, marital, domestic or civil partnership status, sexual orientation, or gender identity, or any other basis as protected by applicable law.

## Working for us

You'll learn, grow and advance in an innovative culture that thrives on shared success and diverse ways of thinking and enables boundaryless opportunities that can drive your career in new and exciting ways.

If you're looking for a challenging career working in a vibrant environment with access to training and a global network of experts, this could be your role. As part of our team, you'll be working with cutting-edge technologies and will have the opportunity to develop a wide range of new skills on the job.

## Benefits

At Simplified Loader, in addition to a competitive basic salary, you will also have an extensive benefits package which includes 30 days' vacation per year and three extra days' leave per year for charitable work of your choice!

Flexibility and mobility are required to deliver this role as there will be requirements to spend time onsite with our clients and partners to provide world-class services.

## How to apply

Email your CV to [Careers@SimplifiedLoader.com](mailto:Careers@SimplifiedLoader.com). Please include details of why we should hire you for this role. We will contact the shortlisted candidates within two days after the application's close date.
